## PROVISION OF FUNDED FULL-TIME PLACES

You may be eligible for a funded full-time place if you meet the criteria below. This is no guarantee of a full-time place.

*(Staff, this information may change. Parents will be required to check eligibility online.)*

**Eligibility Criteria:** *Please tick any boxes that apply.*

## CRITERIA

**For families who meet specific national criteria linked to parents/ carers income, a funded full-time place of 30 hours is available. The parent (and their partner where applicable) should be seeking the free childcare to enable them to work. Parents of three and four year olds will need to meet the following criteria in order to be eligible for 30 hours free childcare:**

- They earn or expect to earn the equivalent to 16 hours at National Minimum or Living Wage over the coming three months. This equates to £120 a week (or c.£6,000 a year) for each parent over 25 years old or £112.80 a week (or c.£5,800 a year) for each parent between 21 and 24 years old. This applies whether you are in paid employment, self-employed or on zero hours contract.*
- Where one or both parents are on maternity, paternity, shared parental or adoption leave, or if they are on statutory sick leave.*
- Where one parent meets the income criteria and the other is unable to work because they are disabled, have caring responsibilities or have been assessed as having limited capability to work.*
- Where a parent is in a 'start-up period' (i.e. they are newly self-employed) they do not need to demonstrate that they meet the income criteria for 12 months.*
- If a non-EEA national, the parent must have recourse to public funds.*

**CRITERIA      MET / NOT MET**

## LAMBETH ETHNIC BACKGROUND RECORD FORM

Pupil's name .....Class/Form .....

Our ethnic background describes how we think of ourselves. This may be based on many things, including, for example, our skin colour, language, culture, ancestry or family history. **Ethnic background is not the same as nationality or country of birth.**

The Information Commissioner (formerly the Data Protection Registrar) recommends that young people aged over 11 years old have the opportunity to decide their own ethnic identity. Parents or those with parental responsibility are asked to support or advise those children aged over 11 in making this decision, wherever necessary. Pupils aged 16 or over can make this decision for themselves.

Please study the list below and tick one box only to indicate the ethnic background of the pupil or child named above. Please also tick whether the form was filled in by a parent or the pupil.

Please return the form to the school. Any information you provide will be used solely to compile statistics on the school careers and experiences of pupils from different ethnic backgrounds, to help ensure that all pupils have the opportunity to fulfil their potential. These statistics will not allow individual pupils to be identified. From time to time the information will be passed on to the Local Education Authority and the Department for Education and Skills (DfES) to contribute to local and national statistics. The information will also be passed on to future schools, to save it having to be asked for again.
